

Mission:

To protect, promote & improve the health of all people in Florida through integrated state, county & community efforts.

Ron DeSantis
Governor

Joseph A. Ladapo, M.D., Ph.D.
State Surgeon General

Vision: To be the **Healthiest State** in the Nation

May 23, 2022

The Florida Department of Health in Broward County (DOH-Broward) is investigating a second presumptive positive case of monkeypox. The person is isolated, and the risk of exposure remains low. DOH-Broward is working with the Bureau of Epidemiology to notify close contacts and offer potential post-exposure prophylaxis.

Please see our [previous press release](#) for more information about monkeypox.
